Diploma of Training and Assessment TAA50104 Via Distance Learning with Corelink

This qualification is the replacement for the old Diploma of Training and Assessment Systems (BSZ50198). However, the course doesn't just replace the previous qualification, it is much more robust and holistic.

This diploma is for those who have successfully completed the Certificate IV in Training and Assessment TAA 40104 and wish to further upgrade their qualifications to a management level of training and assessment.

Corelink has an outstanding reputation and prides itself on its ability to offer this course in an expert and professional manner.

Fortnightly one-one-one telephone coaching is included in this course for free.

A pre-requisite for this qualification is the Certificate IV in Training and Assessment TAA40104, or equivalent competencies.

Learning Process

You will learn via a combination of online and self-paced learning with the support of your very own personal coach. Corelink is an expert and reputable training organisation. We only offer outstanding levels of professionally coached services.

There's no point in starting a course that you are unlikely to finish. Your Corelink coach will work with you to design a Learning Plan that suits you.

About your Coach: Corelink coaches are very experienced and are selected on the basis of the following personal and professional criteria, they:

1. Currently work in industry as reputable and established trainers
2. Personally hold the new Certificate IV in Training and Assessment
3. Have a sincere desire to coach and support people to achieve their goals

You will be personally inducted into Corelink by your coach. This way, you will completely understand Corelink's website, learning tools and assessment processes. You won't have any questions unanswered and you will feel comfortable and supported.

Fortnightly Telephone Coaching: You and your coach will agree on pre-determined, fortnightly telephone coaching times. Your coach will work with you to ensure you achieve their qualification according to your Learning Plan.
